June 2021

## June is the Month of the Dad!

The month of June is a great time to show dad how much you love and appreciate him. Dads are our teachers, providers, and leaders. They are special, strong, makes us feel safe, they're brave, hardworking, fearless and they love unconditionally. Show dad how much you care this month but spending extra time with him!

**TO ALL OUR DADS!**

### Happy Month of the Dad!

We at Cummings Great Expectations are excited to honor all of the fathers, grandfathers, uncles, brothers, cousins, and extended family who have earned the coveted title of dad to our students. We celebrate you every day, but we want to make this month special. As we celebrate all that you do, please take a moment to celebrate yourselves on being the first, best, and most important teacher in the lives of your children.

### Happy Father's Day!

Father's Day is a time to visit with our father, talk with our father or to remember our father and be thankful for what he has provided us. It is also a day to celebrate the important role that fathers have in the nurturing balance that children need and deserve from their father and mother. Dads and moms nurture in different ways and it is that balance that helps children develop, grow and thrive.

Yes, Father's Day is a day to visit, talk with or remember your father. We should also strengthen the bond that we have with our children to leave a legacy of great memories that they can share with their children.

MICHELLE TOWNSEND

Father's Day is a day of honoring fathers, brothers, uncles or any important male figure in your life. We often forget the sacrifices and contributions of our fathers and male figures have made in our lives. Father's Day gives us the opportunity to express our love, adoration and gratitude to these special people. Show these deserving men the special place they have in your life and what influence they have on you. Father's Day is celebrated worldwide to recognize the contribution that fathers and father-figures make to the lives of our children.
